## Bruce writes:

Dear friends

In the past few weeks we have been looking at readings where our Lord is desperate to spend time with his disciples in a deserted spot or a quiet place, so that they may report back to him after being sent out in pairs to preach, teach and heal.

The culture of “celebrity” strikes however, and wherever he or the disciples go they are recognised and 5000 people turn up to hear him and even outside Israel, in Tyre and Sidon they are pursued.

This reminds us of the importance of making time for ourselves in our busy lives. Whether it be going for a walk, reading a book or just relaxing in the garden it is important to prioritise down time.

On a human level it must have been very difficult for Jesus to turn people away but He knew it would take him a lifetime to persuade his fellow Jews that, He, was their Messiah. So he prioritised his Ministry on his disciples who, after receiving the “Holy Spirit” would travel abroad to preach the Gospel.

This meant all the Churches, Cathedrals, Chapels and a lot of the schools and hospitals in the world were built, because of the witness of these remarkable people.

Blessings

Bruce

## JAMES & JOHN **wanted** A PLACE IN HEAVEN

Jesus said:

You can go to heaven if you become a

Colour in each area with a \* to reveal the word Jesus used.

Draw two pictures showing how you can put what Jesus said into practice.

Those who were able to get to church for the organ recital on Sat Sept 14 were treated to 7 organists putting the newly rebuilt organ through its paces. We enjoyed a variety of works, some by relatively unknown composers. The Derby Organist Association who organized the recital, have a scheme that in a recital pieces have to be chosen by a composer whose name begins with a particular letter of the alphabet that each organist is given. This provides some interesting variation as some letters may have only one or two composers whose name begins with that letter! Their works may be quite obscure too. However, it was a very enjoyable event and, should they return one day, it would be well worth the effort to get there if you are able.

The summer sunshine decided to make an appearance at our Annual Garden Party on 13<sup>th</sup> August. We were very busy serving tea and cake all afternoon. The raffle was a huge success thanks to all the prizes donated from The Coopers Arms, Notsa, Qi Transitions, The Shimmering Aspen Beauty Room and WI Members. We raised over £450 for our charity Aquabox. Thank you to everyone that supported our event.

We had a very relaxing afternoon tea on a river cruise in Nottingham at the beginning of August.

Jenny & Anne do an amazing job at organising our trips

### Aston and Weston Mother's Union

At the first meeting after the summer break, we knew we would miss Tony especially at the opening service, but all was well because we spoke to Paul and he took the service for us. It was good to have him with us and have the opportunity to tell him how we appreciate all the help and guidance he is giving to Aston during the Vacancy.

Mothers' Union has a new. Autumn campaign trying to reach out to some of the 480 million women around the world who can't read or write. We hope to be able to contribute to this campaign in some way during the year when we hear more news about it.

The next MU meeting at the Heritage Centre is on Thursday, October 26<sup>th</sup> and the speaker will be John Holloway. We have always enjoyed his talks and this time he has called his talk "Twenty Years of Local History". Visitors will be very welcome and we look forward to your visit, John. We know it will be a good afternoon enjoyed by all!

### Bible Exploration

We had our first 'new era' Bible Exploration on 18<sup>th</sup> September where we all enjoyed learning a bit more about what the bible has to say to us. There were eight of us and we had a really good meeting enjoying company together with a cup of coffee.

From the Laughs and Giggles a bystander might not have thought that this was a Bible Study, but something much lighter. But these are not stuffy dry meetings and there is no compulsion on anybody to make a contribution if they do not wish to do so. We would love to welcome anyone else who cares to call in – even if only for a coffee and a short stay. You never know you might be tempted to come back again for more.

Now that the season is coming to an end, and in case you have some courgettes that have been overlooked on the plant, here's an idea. It's been tested.

#### **COURGETTE SOUP**

|         |  |
|---------|--|
| 500gms  | Potato, unpeeled and roughly chopped                 |
| 2       | Vegetable stock cubes                                |
| 1kg     | courgettes roughly chopped                           |
| Bunch   | Spring onions –sliced save one for serving           |
| 100gms  | Extra mature cheddar – grated plus a little to serve |
| Grating | fresh nutmeg   |

Put the potatoes into a pan and just cover, crumble in the stock cubes

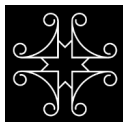

Bring to the boil, then cover and cook for 5 minutes

Add the courgettes and cook for another 5 minutes

Take off the heat and stir in the cheese with salt and pepper. Whizz to a thick soup adding more hot water to your taste. Serve with added grated cheddar, grated nutmeg and spring onions and pepper. Or cool and freeze for up to 3 months

Church Lane, Barrow upon Trent, DE73 7HB

It has been a busy summer at St Wilfrids, with talks, tours, visitors, workshops, performances and so on. Our most recent event was the national Heritage Open Days weekend which highlighted some of the many "curiosities in a small church".

Our next events are on 2<sup>nd</sup> October – a talk about "The Crusades" with Dr Nic Morton, and the 4<sup>th</sup> October is an evening with "Charles II". Tickets are still available on [stwilfridsbarrow@gmail.com](mailto:stwilfridsbarrow@gmail.com). On 15th December we shall have an afternoon of making lanterns in preparation for our several Christmas events. Everyone is welcome.

## Prayers

We remember all who are sick or troubled at this time, especially we pray for Terry Marshall.

## Services

There will be no services at St Bartholomew's in November, January and February. We will be holding our annual Carol Service on December 15th at 3pm. Services will resume in March 2025.

## Paws4Prayer Pet Service

Our annual St Francis Tide animal service will be held on October 6th and we welcome all pets (dogs on leads and other pets in cages) and their well behaved owners. It's a great opportunity to give thanks for 'all creatures great and small' and for the joy our pets bring us.

## Remembrance Sunday

There will not be a Remembrance Sunday service at St Bartholomew's on November 10th; instead the Parish Council have organised a commemoration at the War memorial on Silver Lane, to which all are invited. Rev Glen Martin will lead the service, which will be followed by refreshments. More details next month.

## Patronal Festival

Our August bank holiday weekend Patronal festival got off to a great start with Evensong followed by cheese and wine on the Friday evening. After a slow beginning on the Saturday due to the changeable weather, visitor numbers picked up considerably and Monday was extremely busy, to the extent that we almost (but not quite) ran out of cake! Thank you to all who helped in any way to make our festival a success.

## Interesting quotes

## **Marion Cooper**

*We are sad to report the passing of Marion Cooper. Marion and her husband Peter have been regular members of the congregation at St James' for many years, despite Marion's deteriorating health over the last few years. We send our condolences and prayers to her family and loved ones.*

## **News Update**

*Our Tea and Cakes by the River afternoon in August turned into Tea and Cakes in the Church as the weather wasn't the lovely sunny afternoon we had ordered. Nevertheless, we enjoyed a busy afternoon with lots of visitors and it gave us an opportunity to show off the Church. Several walkers and cyclists who would normally gone straight past, stopped for refreshments and a look around. We were so busy that we completely forgot to take any photos! Thank you to everyone who baked, made tea, washed cups, donated books for our book stall or prizes for our raffle or who helped in so many other ways. We were very happy to have raised £400 to help us look after our beautiful church.*

*September was a very busy month for St James' with our Clean Up session and not one but two services! The Clean Up went really well, despite it being a wet morning which sadly meant we couldn't work outside. We had a good turnout and everyone worked really hard, it was a very productive morning. Cobwebs were removed, windows cleaned, brass polished, pews dusted, floors vacuumed and mopped to name but a few of the many tasks undertaken by our team of nine volunteers. Well done and thank you to everyone for your hard work! The Church looked lovely for our regular service the next day.*

*Our second service in September is the United Benefice Service on September 29<sup>th</sup> and we will report on that in the next edition of On Stream. If On Stream is out in time - there will be a book stall at the back of church, please do have a browse! Proceeds to church funds.*

*September also sees our quarterly PCC meeting, our first without Tony. No doubt we will have a lot to talk about as we settle into a new way of managing the meetings. We are still looking for a permanent Secretary, so if you are interested in helping us, please do get in touch.*

If you want to keep up with our news more regularly, please look for and like our Facebook page – you'll find photos and snippets about happenings at St James' and Swarkestone are added most weeks. <https://www.facebook.com/StJamesChurchSwarkestone>

## GRAFFITI IN CHURCH PORCH.

You may think that graffiti is a modern problem. However there is graffiti inside the church porch, engraved in the plaster, that it is thought dates back to the Civil war (1642 - 1651.) It was probably done by Oliver Cromwell's soldiers who were based in the village at Weston Hall, now the Coopers Arms. Maybe one of them was the Banksy of his day! Amongst the graffiti is the date 1648, a figure, and the outline of a hand. The hand is small and appears to be a child's; but perhaps not, as all those years ago people were a lot smaller than they are now. When the church porch was restored about 30 years ago, the plaster with the graffiti on was carefully taken down and then after the new timber beams, etc were put in, it was put back in its original place. More care could not have been taken if the graffiti was a Banksy!

## WESTON ON TRENT WI LATEST NEWS.

On 9/9/24 we all met Beanie, a lovely assistance dog. He is a springer spaniel, 9 years old and very special. He helps his owner by doing various jobs which she struggles with due to disability. We heard how the assistance dog charity sends trainers to help people train their own dogs to help them. We saw him fetch things, pick items up, unload a washing machine and many other things. He received a biscuit treat every time he did something and was very clever. We all fell in love with him! Thanks to the ladies who provided the lovely cakes, biscuits and cheese scones. Next meeting is on 14/10.24 when Karen is leading a craft session on making Christmas decorations. Please bring needle and thread.

A big thank you to Mark Cummings, members of his family, members of the 107 Scout group and their families, Pete and Jude Lacey and Steve Cooper for giving up their Saturday to help with a tidy up of the grounds. The good weather and lovely refreshments were much appreciated. A new fruit tree was planted by Lyn and Ray Freeman and as part of the tidy up a large tomb and also the copse got a makeover too!

## AUTUMN

A dull misty morning full of fog.

A robin stands thoughtfully on a log,

Watching a rabbit scamper through the trees;

Scattering all the red, brown and golden leaves.

A fox scurries home to his lair, over the damp grass.

Drops fall from the trees as a pheasant runs past.

Toadstools have appeared overnight everywhere.

Mist silently creeps around the trees, which look bare.

Cobwebs miraculously from plant to tree abound.

A squirrel busily buries acorns in holes in the ground.

A single sunbeam pierces the cloud and breaks through;

The webs sparkle like diamonds with morning dew.

A cold north easterly wind blows up strong;

As the trees sway the blackbird bursts into song.

The golden tawny leaves on the ground swirl;

In mini tornadoes round the mossy trunks they whirl.

Clouds break and the sun appears, the mists blow away.

A victory V of geese fly by to greet a glorious Autumn day!

My name is Victoria Rodgers, though most people call me Vicky. I grew up as an only child, which fostered a close bond with my parents and encouraged me to develop strong friendships.

I attended Leavington College for Girls, which set the stage for my future. After university, I became a teacher, spending many years at St. Joseph's Convent, where my daughter also studied. My childhood included special moments like trips to Paris with my father and memorable school plays such as A Midsummer Night's Dream. I found joy in St John Ambulance Cadets, and later, my teaching career focused on science, with a bit of English due to my love for drama.

I married Roger, and we had two wonderful children. After his passing from Leukaemia, I found a second chance of happiness with Stan, who I met through lawn bowls. We enjoyed 15 happy years together before he passed. After some health challenges, I moved to Richmond Villages, where the care and community has been a great comfort. My family is my greatest pride, especially moments like my granddaughter Darcy's flute performance here at the village.

At 80, I believe in looking forward and embracing life's changes. Richmond Villages has given me a reason to keep going, with its welcoming environment and caring staff. My advice to others is to find joy in every moment and never give up on life's opportunities.

Every resident has a story, this is Vicky's. Move to Richmond Villages Aston-on-Trent and celebrate yours.

## Does your child need help with English or Maths?

Here at Kip McGrath Derby South we provide individual small group tuition in English and Maths for children of all abilities aged 5 to 16 using only qualified and DBS checked teachers. Our Education Centre is based in Allenton and we currently offer both In Centre and Online tuition using bespoke Kip McGrath platforms. We're Ofsted registered and can accept working tax credits, universal credit, childcare vouchers and tax free childcare as payment.

*Watch your child's learning and confidence grow with their own individual programme.*
